### Multiple Use

Corporate outings can showcase new products, services, facilities, milestones and special relationships. Charity events can recognize sponsors, promote accomplishments, and thank participants, volunteers, spectators and sponsors.

### Exceptional Value

MyTeeMarker® Sponsors Get Remembered. Hole sponsors are seen only once and forgotten. Tee Marker sponsor logos are seen dozens of times and give the impression of a tour-like event.

### Unlimited Opportunity

Offer sponsorships according to their size and placement on the tee markers or by their location on the course. Offer sponsorships for the practice tee, putting green, ladies tees, senior tees and the championship tees.

### Product Quality

The UV and moisture resistant clear outer shell protects the printed inserts from sprinklers, rain and sun. MyTeeMarker® ships flat, stores flat, and can be used in multiple events by ordering new inserts. Anchoring metal spikes are included.
